

dispute arising between two or more bidders at the same price, the articles will be put up again for auction and resold.

3. The bidder is not allowed to sort the lot and take the required materials.

4. The highest bidder will be required to make full payment for the articles at the spot immediately after auction.

5. In the case of failure to pay up the full amount, as per para 4 *supra*, the articles shall be re-auctioned at the risk of the first successful bidder and any loss sustained thereby should be reimbursed by the defaulter, who however, will not be entitled to any profit that might accrue in the auction.

6. Immediately after the material is knocked down, the successful bidder shall sign his name opposite the number and specification of the material bought by him in a sale list provided for the purpose. Such signature shall be held as admission on his part of having bought such materials and of having accepted the terms of sale mentioned above.

7. The successful bidder shall arrange to remove the articles from the Stores premises, immediately after payment and taking charge of them.

8. In all matters of dispute the decision of the Director of Public Health in Mysore, Bangalore, shall be final and legally binding.

139

Notification dated 6th August 1948.

G. N. No. 8. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 12 NOON on Tuesday the 7th September 1948, for the supply of the following Electrical materials to be delivered F.O.R. Bangalore City.

		Quantity Nos.
1	Special Globes, 14" or 16" diameter and 8" neck.	25
2	Special Globes, 12" diameter and 6" neck	25
3	Lead covered cable twin-core with earth-core, 10 B & S.	Feet 500

The tenderers should quote their best billing prices, which should be firm for a period of one month from the due date of the tender. The rates should be quoted both in words and figures. The period within which delivery would be effected from the date of placing order may be specified.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the department for local purchases.

The tenders should be superscribed as "Tender for supply of Electrical materials to be opened on Tuesday the 7th September 1948."
